Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

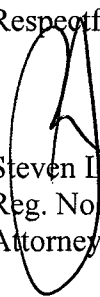

Sir:

This is in response to the restriction requirement mailed on May 12, 2009, to which a response is due on August 12, 2009, by virtue of the accompanying Petition for Extension of Time (two months) and payment of fees. No other fees are believed to be due in connection with the filing of this response; however, should applicants' payment information be missing, or any other fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these materials, the Commissioner is authorized to deduct the appropriate fees from Fulbright & Jaworski Deposit Account No.: 50-1212/EPCL:014US/10613208.

In response to the restriction requirement which the examiner imposed, applicants elect, without traverse, Group I, Claims 2-8, 19 and 20. Further, in response to the election of species, applicants elect, also without traverse, the species of KLH-PC as the specific conjugate for phosphorylcholine. Claims 2-6, 8, 19 and 20 read on the elected species and are generic.

Should the examiner have any questions regarding this response, a telephone call to the undersigned is invited.

Respectfully submitted,
